SELECTION

Dear Reader,

TRICOT SELECTION has the pleasure to bring out this special publication «MAGIC CROCHET» for all Crochet Lovers.

We are sure that our beautiful patterns will tempt you to try their execution. Our drawings will help you to get on quickly and to come to an excellent result.

At the end of this magazine, you will find the way of interpreting the signs used in the realisation of our drawings and some data regarding the basic stitches employed in this book. We would like to point out that the bold-faced type figures appearing on each drawing correspond to the number of the row and that the faint ones give the number of chain stitches to make in a loop.

If you should have any difficulty during work, please write and we shall do all we can in order to satisfy you.

1 PILLOW

MATERIALS: 150 g yarn no. 40, crochet hook no. 22 (English no. 5, International 1,00). 50 x 98 cm (approx. 19 3/4 x 38 1/2 in.) of blue satin. 850 g of stuffing.

MEASUREMENT: 45 x 45 cm (17 3/4 x 17 3/4 in.). One motif measures 15 x 15 cm (approx. 6 x 6 in.).

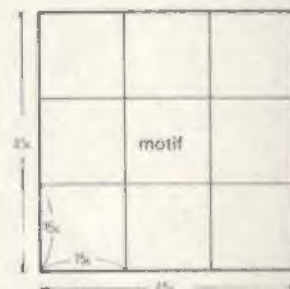

EXPLANATIONS: Each side (back and front) consist of 9 motifs which are joined by sc made during the last round.

MOTIF: 1st round: In a ring of 6 ch, rep. 16 times: * 1 dc, 1 ch. *. Replace the 1st dc of the round with 3 ch and join each round with 1 sl st. 2nd round: In each arc make 1 popcorn st of 5 dc 3 ch. 3rd

round: Advance with 2 sl st and rep. 4 times: * in the 1st arc: 1 popcorn st, 3 ch, 1 popcorn st, 5 ch; in the 2nd arc: 1 sc, 5 ch; in the 3rd arc: 2 dc, 3 ch, 2 dc, 5 ch; in the 4th arc: 1 sc, 5 ch *. 4th-15th round: Cont. according to the drawing. 16th round: At the top of each pineapple, join the popcorn st as follows: (beg. from the 2nd pineapple): make 2 popcorn st separated by 3 ch from the right, then 4 ch, 1 sc 4 ch, 1 popcorn st, 1 ch, 1 sc, hooked in the arc bet. the 2 popcorn st from the right, 1 ch, 1 popcorn. From the 2nd motif, assemble by hooking 1 sc in the middle of each arc of the neighboring motif (see drawing).

FINISHING: First make the pillow cover by folding the material in

two and sewing the 2 sides. Stuff the casing and close the 4th side: now join the front and back of the crochet pillow with 1 row of clusters on 3 sides, slip the stuffed pillow into the interior and close the last side.

MATERIALS. Crochet yarn No. 30 of which 10 g is orange, yellow, green and a small amount of beige; crochet hook No. 22 (English No. 5, Intercontinental No. 1.00)

MEASUREMENTS: 50 cm x 38 cm approx. (19 3/4 in. x 15 in.)

EXPLANATIONS. Make 8 flowers in both orange and yellow and assemble them in the course of the work, to the stem.

FLOWERS. With each of the colors, make 8 petals A and 16 petals B as follows:

Petal A: On a chain of 23 ch, make 1 sc, 1 hdc, 1 dc, 16 tr, 1 dc, 1 hdc, 1 sc. Surround this row of 60 dc according to the drawing.

Petal B: 1st row: On a chain of 17 ch, make 1 sc, 1 hdc, 1 dc, 10 tr, 1 dc, 1 hdc, 1 sc. 2nd round: Surround 1st row of 44 dc. 3rd round: 57 dc according to the drawing.

FINISHING: For each flower put 3 petals A and 2 petals B on the right side at the outside and sew them together with a yarn of the same color.

STEM: Triple the green yarn and surround it with sc made with a single yarn. The number of sc is indicated on the drawing of the finished work. Join the flower with sl st.

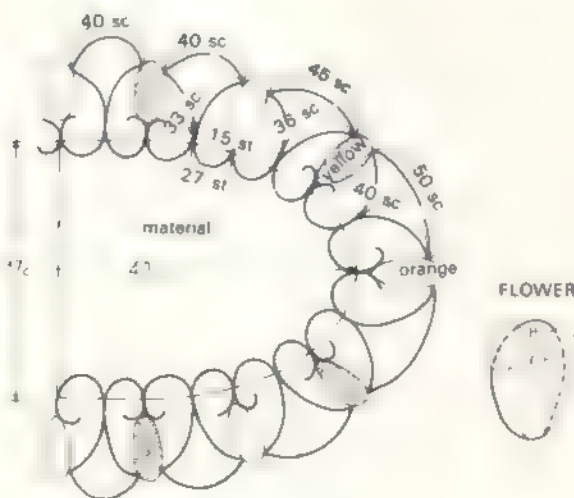

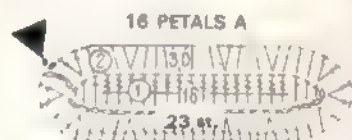

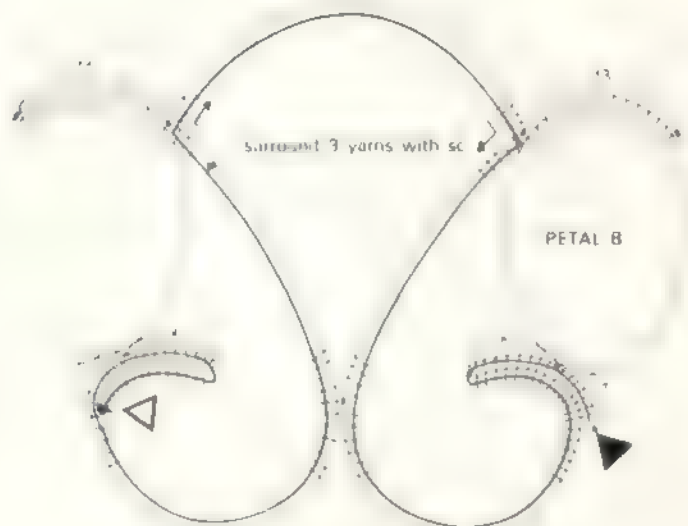

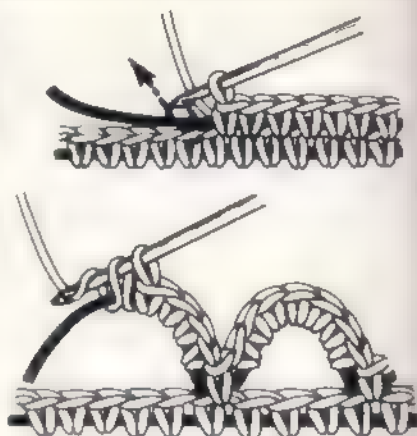

FINISHING: Cut the material in an oval (40 cm x 17 cm, approx. 15 3/4 in. x 6 3/4 in.) adding 0.3 cm 1/8 in. for the hem. With a round of sc cover the folded hem on the wrong side. Attach the work to the material.

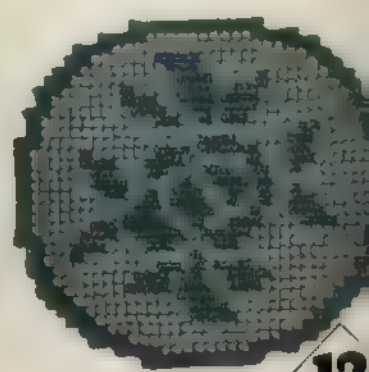

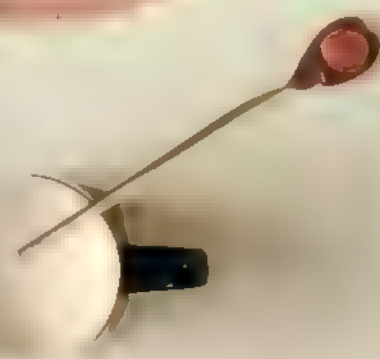

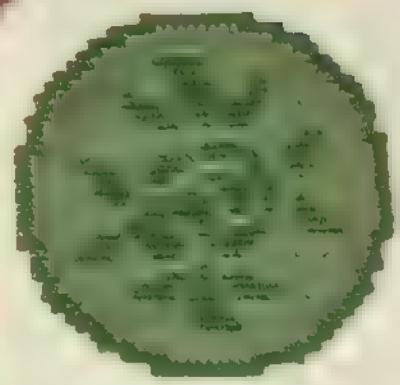

HOW TO SURROUND THE YARN

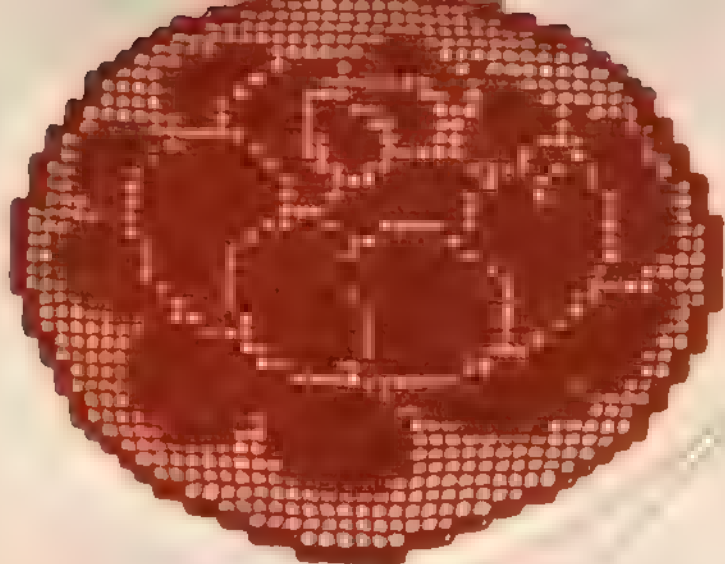

1st ROW: Hook the crochet hook under one or several yarns to make sc. The yarn must be taut and hidden by the stitches which will be made like sc.

2nd ROW: Draw the yarn through after 2 st.

To get a curve, draw the yarn through after having made the desired number of stitches.

FINISHED WORK

The crochet yarns that we have used for our works are very fine and the yarn numbers indicated in this magazine are available in specialized knitting and crochet stores. The same yarn numbers are used by all the leading brands. The finer the yarn, the higher the yarn number. For example no. 40 is finer than no. 30.

The crochet hooks used are equally fine and their numbers change with different brands. The hook numbers used in this book are metric which is most widely used throughout the world. To eliviate any confusion, English equivalents are also given

How to assemble a crochet work with material

1 — Setting material on work

Make piece of work according to size of material. Fold the edge of the material and place piece of work under material with overlapping of material of 3/4 inches. Baste and sew with sewing machine. Use slip stitches at sew edge of work to material.

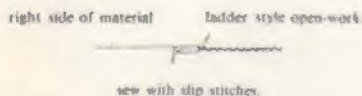

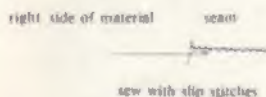

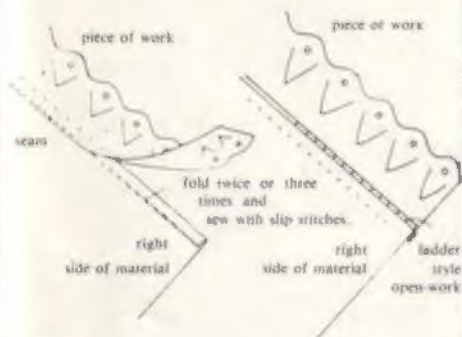

2 — Setting piece of work on material

As in n. 1, make work according to size of material. Fold edge of material twice or three times and sew with slip stitches. Place work over this hem, turn over and sew edge of material on work.

3 — Bringing together both edges and assembling

As in n. 1, make piece of work according to size of material. Fold edge of material twice and sew. Place edges and material together and assemble them with ladder style open-work.

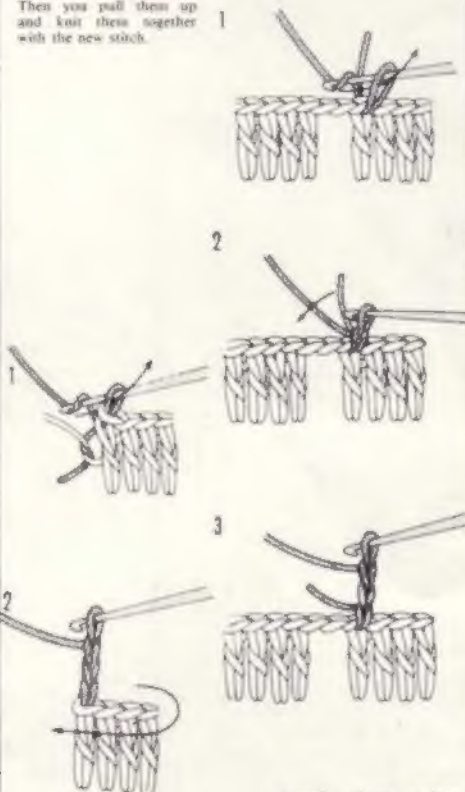

To change colors

1 — To work in stripes of different colors

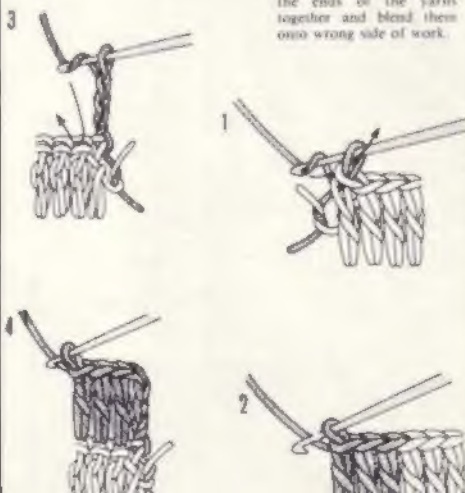

Before pulling the last loop of the 1st row, change to a yarn of different color and proceed as in 1. Make a chain to start a new row changing the direction (2). Tie the ends of both yarns together and blend them onto wrong side of the work. Or leave them aside until the next row is started. Then you pull them up and knit these together with the new stitch.

2 — To attach a new thread

Insert the hook, pull yarn and work one chain. Pass the thread as indicated by the arrow. Then work the next chain.

3 — To change colors in the course of the work. On pulling the last loop, take the new thread. Tie the ends of the yarns together and blend them onto wrong side of work.

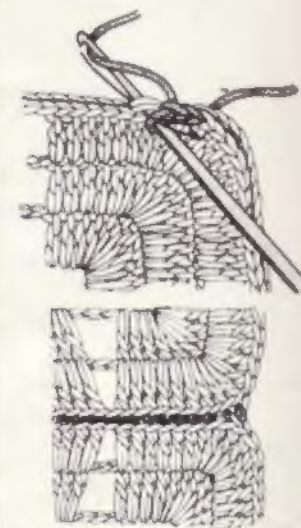

Joining after motifs are completed

1 — Joining with overcast stitches

Complete all the motifs and assemble them together with a needle in overcast stitches. This method can be used with straight-lined edged motifs in the shape of triangles or squares. Place motifs on top of each other, right side of work up, and join them in overcast stitches.

2 — Joining with slip stitches

This is also for motifs with w or dc edges. Place motifs with wrong sides up and work in taking external part of stitches.

To join motifs while working

1 — Joining with slip stitches

Complete the first motif. On working the last round of the second motif, join to the first with slip stitches.

2 — First remove hook and work in slip stitches. This method can be used to join chain pieces. Complete the first motif and on joining at the last round of the second, remove momentarily the hook from the motif, insert it into first motif, pick up the stitch which had been left aside and work in slip stitches to join both motifs together.

3 — Joining with single crochet

Proceed as in 1, but work with single crochet instead of slip stitches.

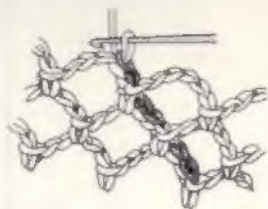

4 — Joining inserting the hook

This method can be used for a motif with a double crocheted and/or a single crocheted edge. Complete the first motif. Work the last round of the second motif inserting the hook in the head of the double crochet stitch of the single crochet stitch of the last round of the first motif.

To make a new row with arc stitches

1 — With slip stitches. Work in slip stitches to the center of the arc and start a new row.

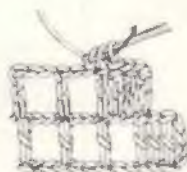

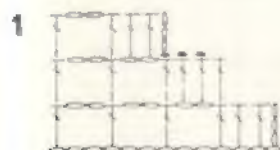

2 — Replacing the last arc of chain stitches with chain stitches and one double crochet (or one half double crochet or one triple crochet). Work half of the last arc (1 less chain with an odd number) and replace the remaining half with 1 double crochet (or 1 half double crochet or 1 triple crochet).

Basic stitches for net crochet

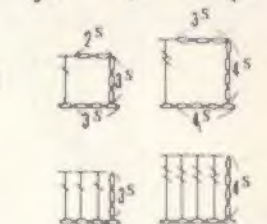

Work net crochet always referring to the drawing (charts). Each drawing indicates the number of stitches and of spaces. There are spaces of double crochet and of triple crochet basis. Calculate the number of stitches for the foundation chain as minimum number of chain stitches required to make a space \times number of spaces $+ 1$ (for extreme end). Add to this number a starting stitch for the first space.
